

Freshman Career Fair

The Licking County Business/Community Advisory Council in partnership with C-TEC's Career Development Program host a career fair the Tuesday before Thanksgiving each year at Denison University in Granville, Ohio. The career fair, organized by career clusters, gives students the opportunity to explore career and educational options by speaking directly with professionals. Students then record their reflections in their electronic Individual Academic and Career Plan (IACP) using the Ohio Career Information System (OCIS).

The career fair supports the Career Development Key Topics of *Self Awareness, Self Assessment, Career Information, Exploration, Academic Planning, Reduction of Bias, Future Trends, Employability Skills and Career/Technical Orientation.*

Contact Beth Bronkar, Career Development Coordinator at bbronkar@c-tec.edu for more information.
